ARRIVAL DAY

1. You must park at the designated parking area Jordan East Lot with your license plate facing the drive aisle. **If you park in any other lot, you will receive a ticket and will be responsible for paying the parking fine.**
2. It is suggested printing your email confirmation and bringing it with to remember which lot. We don't want anyone getting parking tickets.

ADA PARKING: You must follow the same steps above to register your vehicle and may park in ADA spaces **in Orange L East with a properly displayed state issued ADA Plate or Placard.** This is the small lot outside of the Guest Entrance.
